

Roll Crusher Wear Parts

Cast replacement wear parts for roll crushers, best fit, and extended wear life.

Unicast designs and manufactures replacement wear parts for roll crushers. Our engineers get to know your specific needs through consultation with you and customize a best-fit solution for your application.

Roll crusher wear parts are cast with proprietary alloys for maximum wear life in high abrasive environments. It is our mission to provide you with wear parts that deliver longest wear life and improve the overall efficiency of your roll crusher.

FEATURES & BENEFITS

- Sizers and roller replacement wear parts to exceed life of OEM
- Accurate fit for your application
- Personalized service by a team of experienced engineers
