

Vertical Shaft Impactor Wear Parts

Unicast vertical shaft impactor feed tubes, anvils, shoes, tail liners, and center cones built for longer wear between change outs.

VERTICAL SHAFT IMPACTOR (VSI)

Get the longest wear life between change outs. Unicast Vertical Shaft Impactor (VSI) wear parts are a trusted product in the aggregates and mining industries. We have supplied VSI wear parts to Original Equipment Manufacturers since our company began in 1994. Unicast VSI wear parts are built to last. Cast in proprietary alloys, such as M2, WR2, and UI25 for maximum strength and durability.

WE SUPPLY VSI WEAR PARTS, SUCH AS:

- Feed Tubes
- Anvils and Shoes
- Tail Liners
- Center Cones

FEATURES & BENEFITS

- Longer wear life between changeouts for less downtime and cost savings.
- Reliable and proven alloys for best performance.
- Wide range of wear parts available for a variety of VSI.
- Guaranteed proper fit, performance and customer satisfaction.
