

## **Vibrating Grizzly Bars**

*Unicast Vibrating Grizzly Bars are cast in ultra-strong alloy and tapered to reduce product build up, resulting in superior wear life and cost savings.*

---

### **VIBRATING GRIZZLY BARS**

Unicast Vibrating Grizzly Bars are uniquely designed for easy installation and longest wear life. Inspired by our clients and tested in the field, Unicast Vibrating Grizzly Bars are tapered to reduce product buildup and feature a rounded surface in high-wear areas for longer wear life.

### **ADVANTAGES:**

- Cast in manganese steel alloy (M2) - no welds to crack! Save maintenance costs with fewer part change outs.
- Tapered design to reduce buildup
- Rounded surface in high-wear areas for longest wear life
- Easy to install
- Single bars
